This is in marked contrast with the conditions in the corresponding period of the Cleveland ad- and children's hose at 25 cents. ministration, when banks were breaking, business houses closing, best 10-cent hose in Paducah. and manufacturers reducing forces or suspending operations all together.

As To that \$1,500 check which McLean and Chapman, of Ohio, are said to have drawn in favor of William Jennings Bryan: It is now suggested that probably the check was given to induce Mr. Bryan to keep out of the state. It is observed that of white domet flannel at he is making two speeches a day in lowa and casting his eyes longingly in the direction of Ohio, but doesn't get there. It is also announced that his rival candidate for the presidential nomination of 1900, ex-Congressman Towne, has already been ordered off the stump and out of the state by the manager of the Ohio Allan O. Myers, and it is shrewdly suspected that Mr. Bryan's absence from Ohio as well has been obtained by some more effective process than

realization of the great commercial cution rejoiced. sult of the new tariff. Sixty days to be guilty, will escape. have passed since it went into operation and nothing has happened to Money Orders and Savings Banks. prevent the steady inflow and outflow of commerce between the two nations. The fact that the United lations or reduce the market which their people have in the United States for their productions.

Considering that the Dingley law the country crowded with foreign goods when it went into operation, its second month is proving very satisfactory and gratifying. The receipts for the month will, it is ex-Wilson law, although that law had the advantage of the revenues from actment and rushed into the country as soon as it went upon the statute normal condition.

A FAMOUS CASE. Democratic campaign, the Honorable professor testified that the one remaining bone that was proved to have come from the fatal vat, was that of a woman. A professor, equally as expert, on the other side testified that the bone was that of a hog. To test the expert knowledge of the latter Nothing further is heard about professor, the prosecution introduced INCORPORATED that proposed retaliatory legislation into court the skull of a dog and in Argentine with reference to the asked the expert professor to identi-

troubles between the United States Thus the case goes, and the result and other foreign countries winch the will probably be that Luctgert, whom free-traders were predicting as a re- all the reading public nearly believes

In the office of the superintenden States proves the best market with evidence which will convince the most most of these foreign countries will skep real that there exists, especially prevent their taking any action which in the West, a demand for a governwould disturb their own business re- ment institution where the savings of the people may be deposited. The money order system was es

tablished for he accommodation of he people-those who do not enjoy bank accounts and cannot forward money by checks. While the object found the warehouses and shelves of of the system was purely to facilitate the transaction of business by offering at a small cost the medium for transmitting mouey, experience has demonstrated that it is not infrequently used to guard the savings of pected, surpass those of the corre- of banks, or fear to trust their hard sponding month in the history of the earned dollars in the keeping of dollars to lay away. This is made large quantities of foreign goods evident by the operation of the law, which were held back prior to its en- which declares a money order void when not presented for payment

When a money order is retained books, while precisely the reverse by the payee beyond that period it conditions prevailed when the Ding- can only be renewed by the superinley law went into operation. The tendent of the system in Washingis surprising. The records show that in most instances where money orders are not presented within the prescribed period the order was purchased by the payee with no other purpose than depositing his money where he knew it would be safe until

When the original money order has become void a duplicate is issued, ipon application, by the superintendent of the system, and void duplicates are replaced by warrants upon famous cases in criminal law. It was a fund created by uncalled-for money supposed in the early part of the trial which has accumulated since the the system has been in operation Hundreds of cases could be given where farmers, miners, mechanics who purchased an order for \$22,000 payable to himself, and permitted the money to remain on deposit for ive years. For the sake of the se curity afforded for depositing the noney with the government he was not only willing to forego the interest which he would have received had the money been placed in a savings bank or otherwise invested, but he paid the commission demanded by the government for issuing the order.

The use of the money order system as a savings bank is resorted to as 359, Cape Girardeau, Mo. officials who have the renewal of the orders in charge understand that the system is being used in the place of

WRITTEN AT RANDOM.

It is a strange state of affairs that prevails in this county, as well as many other counties in the neighborhood. The farmers find themselves between the Devil and the deep blue sea, as it were. In the day time their tobacco and other crops are parched and baked and burned by the sun, and at night they are nipped and blighted and ruined by the frost. It is difficult to determine, when a crowd of farmers get to talking. which has damaged them more, the sua in the daytime, or jack frost at

The drouth in Kentucky seems far reaching and severe, and those who have been praying for rain have come to the conclusion that Providence must have gotten hold of same of the comic papers and decided that water is so seldom used in Kentucky ter supply to send us a rain. If at Jones' shop, on Broadway, was ar rival the proficiency of their father in something isn't done with those wits, rested last night about 12 o'clock on the law profession. wags and caricaturists, there's no a charge of attempt d rape. telling what will become of the He is charged with having gone to be sorry to lose the citizenship of

The deep, mellow autumn tints blend in perfect harmony—the pretty hats that make pretty faces; rich fall styles vieng for your favor. The prettlest sorts, most deftly made, suited to every taste, and pleasingly becoming. These rich styles mean great selling. You may share this good fortune when you are ready, but it's safest to come soon. It's fortunate for us and for Paducah and vicinity that our masterly buying enables us to make prices so buying enables us to make prices so much below other dealers. It's a say ing to our customers that we are justive proud of. A hearty welcome to visito:s, far and near.

Our line of Hats, Caps, Gloves, Gents' Furnishing Goods, etc., the cheapest in the city.
